WORK EXPERIENCE

Asee by Asseco

City: Prishtina | **Country**: Kosovo

[03/08/2025 – 09/01/2026]

Software Developer Intern

Built and optimized T-SQL stored procedures for loan repayment, interest, and fee modules. Wrote automated SQL tests and validation scripts to catch errors before release. Collaborated on API-driven data pipelines and schema design. Built internal C# WinForms tools connected to SQL Server for loan and interest modules

SKILLS

Python (computer programming) | Data Science: Python (requests, selenium, BeautifulSoup, pandas, matplotlib, seaborn, sklearn) | SQL Server | SQL | Version Control (Git) | Python - Numpy, Pandas | REST Api's | JavaScript Framework | Vue.js (Junior) | Python | Data Science | Data Collection, Data Processing, Data Analysis, Data Visualisation | WEB; Web Developer

PROJECTS

[07/2025 – Current]

Audiolytics – Music Listening Behavior Dashboard

Interactive Streamlit app that turns listening-history data into rich insights: track daily minutes, genres over time, mood & energy trends, discovery habits, device mix, streaks, artist comebacks. Uses Altair for visualizations; data caching & transformation optimized for performance. Implements ML forecasting (7-day platform-share predictions) with confidence intervals, using statsmodels (SARIMAX/ETS) baselines.

Link: <https://github.com/gegedobruna/Audiolytics>

[04/2025]

Deckmoor

Web app for building and playtesting Commander-format MTG decks; real-time card search, validation, and deck import/export. Built with Vue (frontend), Firebase (backend & real-time data), and Scryfall API for card data using FastAPI for REST API integration. Modular component structure to support filter logic, deck legality rules, and visual rarity cues (color/foil icons)

Link: <https://github.com/gegedobruna/Deckmoor>

[11/2025]

Schengo

A Vue 3 + TypeScript application for planning, tracking, and calculating Schengen area stays while staying compliant with the 90/180 day rule.

Link: <https://github.com/gegedobruna/Schengo>

[12/2025 – Current]

Portfolio

Built a Vue.js portfolio for my projects. Implemented Spotify, Last.fm, and GitHub API's for fetching user data. Uses VueGL for rendering geometrical shapes, and utilizes web accessibility principles.

EDUCATION AND TRAINING

[05/09/2022 – 27/06/2025]

Computer Science and Information Technology

University of Debrecen

City: Debrecen | Country: Hungary | | Level in EQF: EQF level 6

Occupational techniques (software development, algorithm design and analysis, web and application development, database design and management, software testing)

Science applied to computing and systems (discrete mathematics, applied mathematics, statistics, logic, data analysis, foundations of artificial intelligence and machine learning)

Occupational technology (programming languages, operating systems, network architectures, cloud computing, computer security, development methodologies, tools and frameworks)

Knowledge of business and its economic, legal and social context (software engineering practices, project-based teamwork, information security awareness, ethical and legal aspects of IT systems, internship experience)

CERTIFICATIONS

[NVIDIA, 16/11/2024]

Fundamentals of Accelerated Data Science with RAPIDS

Built and executed high-performance, end-to-end data science workflows by leveraging GPUs, primarily using NVIDIA's RAPIDS libraries (cuDF, cuML, cuGraph) for data prep, machine learning, and graph analytics.

Mode of learning: Online

Link: <https://learn.nvidia.com/certificates?id=GQFNu065Rrya1ps9L3JX7A>

LANGUAGE SKILLS

Mother tongue(s): Albanian

Other language(s):

English

LISTENING C2 READING C2 WRITING C2

SPOKEN PRODUCTION C2 SPOKEN INTERACTION C2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

NETWORKS AND MEMBER-SHIPS

[2021 – 2024]

Keystone Rotaract E-Club President (District 7280) Worldwide

Led the club's operations, project planning, and digital engagement, coordinated online events, service projects, and professional initiatives, represented the club at international Rotaract meetings and collaborations, and fostered teamwork, leadership development, and community involvement
